I'm a UX Product Designer with over **8 years of experience**, and one of the highlights of my career has been designing **seamless travel booking experiences at ShareTrip Inc.**

- At ShareTrip, I led the design of **B2B and B2C** platforms, including **2 mobile apps, a B2B portal, and a SaaS platform**, serving over 1.2 million users.
- My focus was on creating intuitive, user-friendly interfaces that made travel booking effortless. By collaborating with cross-functional teams, I helped **boost usability by 54%** and drove a **56% increase in active users** within just 4 months.
- I also established a **design system** that improved **team productivity by 25%**, ensuring consistency across all platforms.
- I also successfully helped startups and product-driven companies launching over **8 mobile apps, 15 web apps, and 35 websites**.
- Whether it was simplifying complex workflows or crafting engaging micro-interactions, my goal was always to deliver a seamless experience that users loved.

Let's create something amazing together!
